REFERENCE: Memorandum from General Counsel to Chief, D/Ma, dated 11 April 1950

1. In reference to the 195 items which the Department of State is willing to allow CIA to retain on indefinite loan basis, we have prepared the following lists of which two (2) copies are attached:

- a. Items to be retained on indefinite loan. (List A)
- b. Items presently held by OIR/GE. It is requested that LR transfer loan record accordingly. (List B)
- c. Items included in list of volumes to be returned to LR but because of loss, replaced by identical copies. (List C)
- d. Items for which records could not be located. (List D)
- e. Items for which records were found but volumes could not be located. (List E)
- f. Incorrect charges. (List F)

All of the remaining items on the original list of 195 are being returned to LR and should be removed from loan records.

2. It is requested that one copy be forwarded to the State Department for their records and for action as indicated.

3. The items for which records could not be located (List D) were, for 25X1A6A the most part, on the shelves of the Map Library in the [REDACTED] before transfer to the Auditorium and were probably lost during the move or before.

4. 25X1A9A [REDACTED] of the CIA Library, OCD, should be the officer to sign the property transfer report covering the items for which CIA assumes accountability.

5. The Department may be assured that they may call for items under their reference system.

6. For your information the items on pages two and three of List A were transferred by D/Ma to the CIA Library, and the CIA Library is now checking its records for these items.
